Tax Relief on Donations

The Tax Relief received from parishioners is a very
welcome source of funds to aid in the running of
the parish. From January 2013 the scheme has
been changed so that all amounts above €250 pa.
are now eligible for relief and do not depend on
the tax status of the individual, Thus, now all self-
assessed taxpayers can participate, and the parish
will benefit at a standard rate of 31%.

Please therefore return the form CHY3 duly signed
which was recently sent to eligible parishioners.
This signed form will then be valid for 5 years.

We thank you for your continued support.
