**Tax Relief on Donations**

The tax relief received from parishioners is a very  
welcome source of funds to aid in the running of the  
parish. From January 2013 the scheme has been  
changed so that all amounts above €250 pa. are now  
eligible for relief and do not depend on the tax  
status of the individual, Thus, now all self-assessed  
taxpayers can participate, and the parish will benefit  
at a standard rate of 31%.

Please therefore return the form **CHY3** duly signed  
which was recently sent to eligible parishioners. This  
signed form will then be valid for 5 years.

We thank you for your continued support.

We are glad to let you know that Fr. Peter Briscoe  
is out of hospital and is now recovering. He  
wishes to thank everyone for your prayers and  
good wishes.
