PARISH TAX RETURN 2013

We wish to thank you for the number of completed tax returns received so far, which has enabled an initial application to the Revenue Commissioners to be made for a refund of tax on your contributions. There are still many forms to be returned and we would request that these be returned as soon as possible. By completing these forms now they will be valid for 5 years, thus easing substantially the work of the Parish Staff in processing the refund applications.

No more homework, no more tests. No more getting up for school.

No more book reports or studying. My summer vacation begins today!

I'm so happy and I'm so free. I want to read and get up late.

I want to ride my bike and swim. I want to play more with my friends.

Please bless my summer days, dear God. Keep me safe and happy.
